

MISSISSIPPI STATE DEPARTMENT OF HEALTH

MEETING INFORMATION

Meeting:

Maternal & Child Health Virtual Town Hall

Purpose:

The Mississippi State Department of Health (MSDH) will hold a town hall to hear from people across the state about the health needs and barriers to health for women, infants, children, adolescents, and children and youth with special health care needs. The MSDH also wants to learn about the resources and supports needed to help Mississippians be healthier. Response will be used to develop the Maternal and Child Health (MCH) state action plan for 2025-2030.

Date and Time:

Nov 26, 2024 06:00 PM Central Time (US)
